<p>* Must make at least 6 payments (annually), or 11 payments (semi - annually), or 21 payments (quarterly), or 61 payments (monthly).</p> <p>However, there is no surrender charge or withdrawal charge from top-up premium units (if any).</p>																																				
5. Fund Switching Fee ²	Deducted from the value received from redemption of investment units in the source fund(s) prior to purchase of investment units in destination fund(s)	Free of charge																																		
6. Reinstatement Fee ²		Free of charge																																		
7. Financial Statement Fee ²		A request can be made at free of charge once a month, and after that, it is 50 Baht per issue.																																		

Remark:

- If redemption value of any fund(s) as at the redemption date is insufficient for deducting the said charge, an unpaid charge will be deemed as the policy's debt and deducted from the underlying fund(s) in the proportion of redemption value of each fund in the following month.
- The Company reserves the rights to alter fees and charges, but not exceeding the rate specified in the conditions of the policy, where the Company shall give at least 3-month advance notice.
- A Mortality Rate is derived from Mortality Rate pursuant to Thai Mortality in Ordinary Type as specified in the registrar's announcement and may be altered as specified in the registrar's announcement.
- Net amount at risk means death benefits less redemption value.

Rights under an insurance policy while the policy is in force

Fund Switching

- The insured is able to switch the fund in part or in whole in accordance with the set of regulations prescribed by the Company, whereas the fund switching amount shall not be below 1,000 Baht.
- The Company shall buy the investment units of the destination fund(s) as at the working day of which the redemption value of all source funds is completely received.
- Regarding the aforesaid fund switching, the offer price of the destination fund(s) as at the date on which the Company buys the investment units may be different from the offer price of the destination fund(s) as at the date on which the Company receives the redemption value of the source fund(s). The insured shall take the said fund switching risk.

Premium Holiday

- The insured may exercise the premium holiday option after making 3 annual, 6 semi-annual, 12 quarterly or 36 monthly regular premium payments and while redemption value is sufficient to cover fees and charges.
- If the insured has not fully paid 3 annual, 6 semi-annual, 12 quarterly or 36 monthly regular premiums and the regular premium is unpaid within a grace period, the policy will be terminated. If the policy has redemption value, the policy will be automatically surrendered.

Partial Withdrawal

The insured is able to make a withdrawal from the policy in accordance with the set of regulations prescribed by the Company by

- Submitting the application to the Company specifying the underlying fund(s), where the withdrawal is required.
- The policy value of regular premium after deduction of debt pursuant to the policy (if any) shall not be less than 10,000 Baht by calculating from bid price as at the next working day after the Company has received and approved the application.
- The Company shall redeem the investment units pursuant to the application form, whereas the insured shall receive redemption value deducted with surrender charge (if any).
- Surrender charge shall be in line with what is specified in Schedule of fees and charges.
- The Company shall make a withdrawal from the policy after the receipt of the duly completed request; or in case of incomplete execution in accordance with the conditions of the policy as at the received date of this application form for execution, the Company shall make a withdrawal from the policy after the pending execution is ended. If redemption date is a holiday of any funds, the Company shall redeem the investment units on the next dealing date.

Cancellation of the Policy (Freelook Period)

If the insured intends to cancel the policy for any reasons, he/she can return the policy to the Company within 15 days from the receipt date of the policy. Whereas the Company will return policy charges and redemption value deducted with the Company's expense of 500 Baht per policy, medical examination fee on actual payment basis (if any), and any outstanding debts (if any).

Right of Non-Lapse Guaranteed Benefit in Case of Zero or Less than Zero Policy Value

Within 9 years from the effective date, even though the policy value is equal to zero or less than zero, the insured shall be granted the right of life protection as per the following conditions:

1. The insured has continuously and completely made regular premium payments on the premium payment schedule; and
2. The insured has never made a withdrawal from the policy by redeeming the regular premium units; and
3. The insured has never reduced the regular premium.

However, the unpaid fees and charges (if any) are indebtedness and shall be deducted from the death benefits.

Tax Privilege

Premium charge, cost of insurance, and policy administration fee, are eligible for tax-deductible.*

Remark* The eligible premium for referring to the exercise of personal income tax deduction right according to the law (this Life Insurance Policy is made after 2008) in the type of 10 years and more plan, and refund pursuant to the conditions of the Life Insurance Policy (if any), are in line with Clause 2(2) in the Notification of the Director-General of Revenue Department No. 172.

Rights of the Insured

1. The right to cancel the policy within 15 days from the receipt date of the policy, whereby the Company shall return policy charges and investment portion according to the redemption price of investment units after deducting a charge of 500 Baht and medical examination fee (if any).
2. The right to be informed of the allocation of premium invested in fund(s).
3. The right to request for mutual fund prospectuses from a life insurance agent/broker.
4. The right to be informed of the list of all asset management companies which manage unit-linked funds offered by the Company.
5. The right to be informed of the name and address of the Company and those of asset management companies, as well as the name, address, and identification number of the life insurance agent / broker.
6. The right to be informed of the risks associated with the recommended fund(s) as well as risk warnings and description of risks associated with investment in mutual fund.
7. The right to be informed of information that impact the insured's benefits or investment decisions, for instance, offerings of mutual funds which are in the process of merger or amalgamation.
8. The right to be informed of information about conflict of interest, for instance, a fee or remuneration which a life insurance agent/broker may receive from a purchase of an insurance plan including subscription or redemption of investment units.
9. The right to declare an intention of refusing to be contacted for two years.
10. The unitholder rights with respect to an omnibus account under a unit-linked life insurance plan may differ from those in accordance with an account subscribing to investment units directly with asset management companies, for instance:
 - In purchasing a unit-linked life insurance plan, the unit price of the underlying funds is not quoted on the purchase date since a completed life insurance application must go through the life insurance underwriting process. Upon approval of the application, the Company will proceed to subscribe to the investment units.
 - Receipt of fund-related documents may take longer compared to when subscribing to investment units directly with asset management companies as the Company delivers such documents to customers after receiving them from the asset management companies.
 - The Company shall deduct cost of insurance and administration fee as specified in the schedule of fees and charges by automatically redeeming investment units on a monthly basis.

Warning

1. The delivery of insurance premium is the applicant's duty. The premium collection by the life insurance agent / broker is a service only.
2. The applicant should study and understand offering documents before deciding to buy insurance.
3. Investment in investment units according to unit-linked life insurance policy involves risks. The applicant may get back more or less than the premiums allocated into mutual fund(s). If the mutual fund(s) has a positive return, the applicant will get high returns. On the contrary, if the mutual fund(s) has a negative return, the applicant will get low returns or incur losses. In other words, the applicant may get back less than the amount invested. The investment part of the unit-linked life insurance policy is not guaranteed.
4. The applicant should consider the ability to pay premiums as this policy is suitable for long-term savings, and there may be withdrawal charge, possibly resulting in the surrender value and the withdrawal value being lower than the redemption value of investment units. The applicant should study the details in the schedule of fees and charges.
5. The applicant should study the details of risks associated with investment in mutual fund which are in the mutual fund prospectus prepared by the asset management company or study from the asset management company's website.
6. A mutual fund is established as a separate legal entity from the asset management company and the insurance company. Therefore, the asset management company and the insurance company are not obligated to compensate any losses of the mutual fund and cannot use the assets of the mutual fund for their own benefits or paying off their debts.
7. The performance of mutual fund is not dependent on the financial status or the performance of the asset management company's and the insurance company. Past performance of mutual fund is not a guarantee of future results.
8. The applicant can study the information relating to the fund's fees and charges other than policy charges from the prospectus of the fund(s) prepared by the asset management company or from the asset management company's website.
