

# Health Family Sharing

Ready to share and give the health coverage to your loved ones  
(Plug to play your life in your own way)

**Because family might be defined as sharing. Especially, when it comes to health of your loved ones so looking for the right insurance coverage in order to fulfil health coverage in your own way will best answer the healthcare needs for family members.**

Bought high limit of health insurance but never claimed for medical expenses.  
**What a waste of premium.**

Bought the insurance to your children without high coverage.  
**Insufficient coverage amount every time they got sick.**

Parents are getting sick more often.  
**Out-of-pocket medical expenses were always required.**

Family had been expanded. Moved out to live with life partner.  
**We sometime got sick. We supported each other.**

**It would be great if**

Million and above of coverage could be shared to family for OPD and IPD medical expenses.

**It would be great if**

Sharing coverage from parents to children and grandchildren is possible both OPD and IPD medical expenses.

**It would be great if**

Coverage transfer from our kids to parents both OPD and IPD medical expenses could be done.

**It would be great if**

A life partner we unconditionally love can use coverage we shared together both OPD and IPD medical expenses.

**A new concept of health insurance plan that you can plug to play health insurance coverage for you and your loved ones.**

**“Health Family Sharing” allows you to share and pass on health coverage benefits with anyone you love and whom you are deeply bonded with to worry-free and cope with an unforeseen medical expenses when you and your loved ones need the best care and medical treatment.**

# Health Family Sharing

## At FWD, we know that

When it comes to your family, they are your priority, so you never want to feel like that you haven't given them sufficient support for their health needs. You want the best to invest in health insurance to equip you and your family because when time goes on, your coverage might not be sufficient since some benefits are too much, some are too low to match each family member's needs. So a health plan designed for individuals might not truly fulfill yourself and family.

## So we designed Health Family Sharing to

Provide one-of-a-kind concept of family plan, with benefits that can be shared and passed on to family members if and when they need it. It is the first insurance in Thailand that is a single plan to be shared by any kind of family, including life partner, relatives and even LGBTQIA+ couples. Simply put, you will have a simple and comprehensive coverage for any kind of family. Protect against unforeseen medical expenses, rising healthcare costs and unexpected events with plug to play Health Family Sharing, so that you can focus on living your best life together as one family.

# Health Family Sharing

## Give and share the health coverage benefits to the entire family

# Details and conditions of health coverage benefits sharing

## Rights of coverage eligibility of “Health Family Sharing Member”

- The insured and Health Family Sharing Members shall share medical expense benefit towards FWD Precious Care rider which endorsement has been attached and Out-Patient medical treatment expense coverage shall be extended on FWD Precious Care coverage benefit in this endorsement attached. Following this, benefit category no. 1: Room and board, and in-hospital service fees (In-patient) shall not be shared (except the benefit for Intensive Care Unit (ICU)).
- For list of benefit category no. 2 to no. 13 stated on FWD Precious Care rider which endorsement has been attached, The company shall cover as charged.
- For list of benefit category no. 14: Out-patient medical expenses coverage, the company shall cover as charged.

### Remark:

- After Out-patient medical expense coverages from every member have been shared, shared amount must not exceed total Out-patient benefit amount from the insured and Health Family Sharing Members accumulated.
- After coverage benefits from every member have been shared, shared amount must not exceed total coverage benefit per policy year from the insured and Health Family Sharing Members accumulated.

The company shall cover and deduct from coverage benefit of insured first until benefit amount has been exhausted, then shall cover for an excess amount by deduction from coverage benefits from every Health Family Sharing Member equally. In case coverage benefit from one of Health Family Sharing Members is insufficient to cover, the company shall deduct from available remaining coverage benefit of that Health Family Sharing Member. Afterwards, shall deduct from remaining coverage benefit from every other Health Family Sharing Member equally.
